Memorandum for: Alien Affairs Officer

25X1 Subject: [REDACTED]

1. I discussed with [REDACTED] Deputy Chief/PP, the request which originated from him when he was Chief of SE Division that we introduce a private bill for the relief of [REDACTED]

25X1

25X1 2. I pointed out to [REDACTED] that [REDACTED]  
25X1 [REDACTED] and other contacts make him a highly controversial figure in the refugee circles and that in an election year it might be highly embarrassing for a Congressman to be caught between these factions should he sponsor a private bill.

25X1

25X1 3. [REDACTED] is currently restudying this whole problem and will recommend whether action during this session is mandatory.
